All Saints Episcopal Preschool is a member of the National Association of Episcopal Schools (NAES).

The mission of NAES is to serve those who serve Episcopal schools.

In keeping with our faith and practice as Episcopal schools in manifesting the daily experience of the love of God in our lives, NAES develops sets of principles of good practice for various aspects of Episcopal school identity, leadership, governance, and community life.

These sets of principles:

- Support the incarnational journey of each school as it teaches, communicates and lives out its essential mission and identity as an Episcopal school.
- Assist each school in maintaining high standards of leadership and governance consonant with its Episcopal identity.
- Guide discussion and processes with the insights gathered from the larger community of Episcopal schools, rather than to prescribe formulas.
- Exist as living documents, expanding and changing as our schools' missions are defined or re-defined and their communities' lives are lived

Thank you for selecting

All Saints Episcopal Preschool!

We are dedicated to providing a loving, enthusiastic, and educational environment for preschool age children through developmentally appropriate activities through play-based learning. This approach encourages children to grow in a well-rounded manner with attention to their social, emotional, cognitive, physical, & spiritual needs.

Our goals for our children:

- To provide a safe, loving environment while cultivating independence
- To foster a joy of learning by recognizing each child's unique abilities
- To promote coordination & strength through physical play using large & small muscle groups
- To nurture pro-social behaviors and positive social interactions with peers & adults
- To celebrate the joy of living in God's world

giving our *all* for your child
